

## **Brown Volunteer Opportunities *Checklist***

Attached is a list of the many ways you can volunteer at Brown International Academy. Participating in any of these activities will help create a high-quality learning experience for your kids. Please take a minute to review the list and then place a check in the boxes next to the volunteer opportunities that most interest you.

To help you find an opportunity that is a good match with your interests and schedule, we also have a volunteer coordinator. She can answer your questions about volunteer opportunities and connect you with other volunteers.

Thanks for your interest in becoming a more active member of the Brown community!
