

## CSC MINUTES

**Name:** FNT CEC Middle College      **Title:** CSC      **Date:** March 21, 2007

**Present:** Scott Springer, Cathy Vigil, Donna Shocks, Elvia Salgado, Bonnie Hutchens,  
Susan FitzWilliam, and Crystal Sides

**Absent:** Alma Pacheco, John Walker, and Ralph Bradford

**Visitor(s):** Rene Garcia and Scott Rubin

**CSC Facilitator:** Donna Shocks

### ***What Happened & How***

#### **Minutes from February 21, 2007, Meeting**

Minutes were approved.

#### **Recommendation/Guidelines for Academic Credit**

A handout charting the current approved credit for CEC career programs was given to the committee. Nationwide, Career and Technical Education (CTE) will be required to integrate academics in CTE class curriculum. If academic credit is offered in a CTE class, it cannot be duplicated from one semester to the next.

A group of teachers have been meeting to determine what type of academic credit can be given. The two major areas academic credit can be given are in English and Fine Arts. It is hoped that next year seniors can use the English credits for graduation credit. We are trying to add technical writing to CTE classes so students can access it as an Elective English credit.

Discussion:

What is the timeline for implementing this? If it is agreed to proceed with this, teachers will need to have a sample lesson plan ready by fall of the 2007-2008 school year.

Is this optional? For this coming school year it is but eventually it will be required in all career classes. CTE teachers will need support all year long.

All academic credit offered in career classes must meet the disciplines standards.

Consensus was reached on this topic.

#### **Budget and Final Staffing 2007/2008**

Handouts of the FY08 Budget Summary and the Department Budget Information Sheet 2007-2008 were given to committee members.

There were no cuts this year. One Med Prep teacher will be added.

**School Wellness Survey/Culture Survey**

Discussion regarding wording and order of question placement. A question about awareness of how the Denver Plan affects CEC Middle College was added.

Consensus was achieved.

**Volunteer Services Discussion**

Darryl Miller will be asked to conduct a survey of the staff regarding interest in adding a volunteer service component as a requirement for graduation starting with the 2011 class.

**Additional Business**

Lynda Freund was given the award as discussed at last months meeting.

North High School is willing to provide monetary support to the Med Prep Program to fund student practicums in exchange for reserving 12 positions for North High School students.

Student Services will assist the Med Prep Program by providing names of nurses willing to supervise practicums.

**Next Meeting: Spring 2007**

April 18, 2007

**Agenda for Spring 2007**

Facilitator: Cathy Vigil
