

Welcome to Cowell Elementary School!
Thank you for your interest in Cowell.
Good luck in the selection process!
Interview Questions: ELA-E

1. Please describe the characteristics of a highly skilled teacher. What would you see in his/her classroom?
2. Please describe your background and experience related to this position, especially in literacy and math instruction.
3. What is your approach to working with challenging students (academically and/or behaviorally challenging)?
4. What guides your instructional decisions in your classroom? How will you know students have learned?
5. Tell us about your experiences collaborating with other teachers. What are the benefits and what are the challenges?
6. How will you effectively meet the needs of students at varying levels of English proficiency?
