

PARENT AND VOLUNTEER TUTOR TRAINING WORKSHOPS

The DPS Office of Volunteer Services will host several workshops designed to help parents and volunteers assist students in reading, writing, and mathematics.

"Supporting Your Writer: Ways you can nurture your child as a writer."

"Getting to Know Everyday Math and Connected Mathematics."

All sessions are offered in Spanish and English.

Each parent/volunteer will receive a free Homework Help Toolkit which contains a calculator, dry erase board, pencil sharpener, protractor, and more!

Food and drink provided. Babysitting provided for children 3 and older.
