

ProComp Exceeds Expectations Standards

To receive the Exceeds Expectations incentive under ProComp, a teacher must see at least CSAP 50% of an eligible class attain the 55th percentile or higher for statewide student growth using Colorado's Student Growth Indicator.

Teachers and students are determined to be eligible for the incentive based on rules approved by the Transition Team in fall 2006. They include all of the following:

TEACHERS

Current teacher or active with benefits
ProComp (by default these teachers are in DCTA)
Working 89 instructional days at the school
Teaching Language Arts (or Reading or Writing) or Math
Teaching at least 10 eligible students

STUDENTS

Two consecutive CSAP scores for a subject area
Current year CSAP score in writing, reading, math or all
Enrolled for 85% of the course length
Attend 85% of their individual enrollments
