

DPS Department of Extended Learning & Community Schools presents
KALEIDOSCOPE CORNER
 at the Center for Early Education @ Knight
 Welcoming families from Asbury, Cory, Steele and Slavens

Kaleidoscope Corner provides high quality, safe and well-supervised care to children **beyond** the regular school day. All of our programs and staff are committed to engaging and inspiring children to enjoy learning, achieving, creating and interacting with others through a rich variety of educational, artistic and recreational activities.

PROGRAM INFORMATION

Kaleidoscope Corner believes choice is essential for children's growth and happiness. Therefore we provide children with a variety of activities to choose from to begin and end their school day. We teach children to solve their own problems by modeling correct behavior and emphasizing clear conduct guidelines. We serve children in ECE & Kindergarten ages 4 - 6 years old. Our child care centers are staffed with ratios of 1:12; our qualified professionals are trained in the areas of CPR, First-Aid, age appropriate activities and licensing requirements.

AVAILABLE PROGRAMS

EARLY RISER (6:30 a.m. – School Begins)

This early morning program offers a relaxed atmosphere that provides children with a positive transition to the school day. Early Riser activities include reading time, homework club, arts and crafts, recreational games and outdoor play. Children are dismissed to playground supervision 15 minutes prior to the start of school.
Children may participate in the school's breakfast program at the regular school fee.

LUNCH BUNCH (11:10 am – 1:00 pm)

This is a transition program that provides lunch time supervision to children between the morning and afternoon ECE and or Kindergarten sessions. It is a safe, fun, learning environment promoting socialization and group play through lunch time. Children may bring their own lunch or participate in the school's hot lunch program.

AFTER SCHOOL (School Dismissal - 6:00 p.m.)

Children can participate in quality after school time that includes learning, play and an opportunity to try new things. After school activities include science, art, theme-based activities, homework club, recreational games and outdoor play. *An afternoon snack is provided.*

All programs are based on the opening of the Center for Early Education @ Knight and an enrollment of 15 children registered daily per program.
