

Collaborative School Committee Update

September 30, 2008

The Edison Collaborative School Committee met on Friday, September 27th, to thank outgoing members, Guerin Green, Monica DeGraff, Laurene Lafontaine, and Elizabeth Mathews. All of these individuals have brought significant ambition, knowledge and perspective to the CSC's work during their participation on the committee. The CSC also welcomes its new parent volunteers, Bret Hann, Rebekah Hernandez, and Tina Martinez, all of whom begin their two-year terms this fall. Thank you all for your commitment to Edison's students.

In early October the CSC will focus its efforts on revising the School Improvement Plan to address deficiencies identified by the new DPS school performance framework. The committee must submit a revised SIP to the district by October 15th. As part of the revision process, the committee will develop SIP goals related to community engagement and school culture, which may include more project-based learning opportunities for all students at Edison.

The CSC will meet on Thursday, October 9th, at 4:30 p.m., in the school library to work on the revised Plan. Parents are always encouraged to attend CSC meetings. If you have any questions about the CSC's work at Edison, or would like to obtain a copy of the school's current School Improvement Plan, you may contact Ann Christy at Ann_Christy@dpsk12.org or Suzanne Leff at sleff@wlpplaw.com. The CSC will also provide updates on the Edison Elementary Google group throughout the school year.
