

Washington D.C. Trip and Fundraising Information

All students enrolled at Hamilton are offered the opportunity to participate in an excursion to Washington D.C. and Williamsburg, VA in the fall of their eighth grade year. It is a fun, educational experience that the student will always remember. The trip price is set each year based on the number of days/nights and the number of participants involved. The price includes air and ground transportation, hotel accommodations, all meals, admissions and tariffs. Price for the 2009 trip that includes hotel and airfare to D.C. is \$1886.

Students do not have to participate in the fundraising described below but it is an excellent way over a long period of time to help defray the cost of the trip.

Fundraising: Our only fund-raiser is the sale of King Soopers gift cards. Our group receives a discount from the store by purchasing the gift cards in large quantities. We earn 5% for combined orders of \$5000 or more. For lesser amounts, we earn from 3% to 4%. The parents and participants must pay the amount not raised by fundraising nine weeks before the trip.

If a student decides not to participate in the trip, any money raised will be placed in the general fund.

Sixth Grade Information

October 2011 is two years away, but fundraising through this program takes time. Parents are urged to begin fundraising or saving as soon as possible in order to be able to make a substantial amount toward the trip expenses.

Seventh Grade Information

You may continue fundraising through June 2010.

THE CERTIFICATES: King Soopers gift cards may be used at local King Soopers as well as City Markets and Krogers in other areas. The gift cards are just like cash and should be treated as such. If lost or stolen, they cannot be replaced. They are not redeemable for cash or money orders.

WHAT YOU HAVE TO DO: Take orders from family, friends, neighbors, and co-workers for the gift cards in \$25 increments. Checks to cover the amount of order should be written to:

Washington D.C. Scholarship Fund
