*responsibility in the Center for Parent/Community Involvement includes working with parents, students and administrative staff while supporting Mrs. Angela Davis-Robertson. I truly enjoy working for DPS especially here at Montbello where the opportunity for improvement and to make a difference is plentiful. However, my main focus is to ensure that Mrs. Robertson has everything she needs to plan her day accordingly. This has always lead making Montbello stronger and better for the sake of our students and staff. I have lived in Colorado for 6 years now. I have been married for 8 years but have no children. I love to worship in dance and teach/instruct which is what I do at my church, True Light Baptist Church.*
