

I am thrilled to announce that **starting September 10<sup>th</sup>, 2009**, Denver's Colorado Children's Chorale will be starting a Community Choir in Northeast Denver to serve any 3<sup>rd</sup>, 4<sup>th</sup>, 5<sup>th</sup> and 6<sup>th</sup> grade students. In addition to performing their own concerts, there will be opportunities for the community choir to perform with the Chorale's Chorale.

This will be a non-auditioned choir and there is **absolutely no cost** to our students to participate. Rehearsals will be held once a week at Farrell B. Howell ECE-8, **Thursdays from 4:15-5:00pm**. Flyers and other information will be available to send home with interested students in the next two weeks. The Colorado Children's Chorale staff will also be contacting principals at schools in our area to let them know about this exciting new program.

This program will provide a nice compliment to any music programs that already happen within our schools. In time this will become something that unifies the children and families of our community in a constructive and positive way.

I hope that you will share this information with your 3<sup>rd</sup>, 4<sup>th</sup>, 5<sup>th</sup> and 6<sup>th</sup> grade students and families. If you have any questions, please don't hesitate to email me or contact Emily Crile.

Sincerely,

Amy Friedhaber  
Music specialist  
Farrell B. Howell ECE-8
