## Tuesday Afternoon Club (TAC)

TAC is looking for tutors. The more tutors we have, the more Park Hill students we can serve! TAC meets after school for students who need extra help to succeed in school. Tutors provide students with an opportunity to increase their reading skills. TAC meets most Tuesdays, from September to April, from 3 - 4:30 pm. If you are interested in helping or know of other avenues for recruiting new tutors, contact Sarah Moore ([sarah\\_moore@dpsk12.org](mailto:sarah_moore@dpsk12.org)) or Marilyn Martin ([marilyn\\_martin@dpsk12.org](mailto:marilyn_martin@dpsk12.org)).

## Bike To School Day

Save the Date! Walk & Bike to School Day is Wednesday, Oct 7. Walking and Biking to school provides the following benefits:

- ENHANCE THE HEALTH OF KIDS. Increased physical activity combats a host of health problems facing kids.
- IMPROVE AIR QUALITY. Replacing car trips to school with walking or bicycling can help reduce air pollution.
- CREATE SAFER ROUTES TO SCHOOL. Sidewalks, education programs and traffic calming measures are some of the ways to improve conditions.

Interested in helping out with the event or hosting a yard sign?

## Park Hill e-books Are Coming!

Park Hill School will sell e-books this year so don't buy from anybody else. Books cost \$10 each; \$6 from each purchase goes back to the PTSA! Until we get the order forms on the website, you can preorder books. Actual books will be printed later this month. These pay for themselves after a few uses and are a great way for the PTSA to help our wonderful school and children.
