

Park Hill School Reloadable Grocery Card Program

@ King Soopers

An easy, no-cost, way to help raise money for your child's school!

**It's Simple, Free and Convenient and you
Earn Miles on your credit card when you reload at the store!**

Here's how it works :

- 1) I take your order and will contact you as soon it's ready. This will be the **only** time you have to meet up with me and pay with either cash or check.
- 2) You reload at the register at King Soopers by telling the cashier that you'd like to **reload your gift card - before purchasing your groceries**. Groceries are a 2nd transaction. Use your card for groceries and gas! Cards can be reloaded for any amount up to \$500. (If you reload at guest services or a register other than where your groceries are scanned, there will be a 5 minute delay before the funds are available.)
- 3) After we reach \$5,000 or more in reloads in a King Soopers 4 week cycle, Park Hill PTSA gets a 5% rebate to fund our literacy programs, paraprofessionals, crossing guards and other essential programs not funded by DPS. If we don't reach \$5,000 in a 4 week cycle, the amount in our account will roll over into the next 4 week cycle. No money will be lost.
- 14) There are 4 ways to find out the balance on your card. Your balance will be printed at the bottom of your receipt. Visit www.gcbalance.com. Call 866-822-6252 or ask your cashier to check your balance.

Reloadable King Soopers Grocery Card Order Form:

Name: _____

Phone Number: _____

E-Mail: _____

Childs Name: _____

Amount on Card: \$ _____

Please return this form to the school office in the black PTSA locked mail box or contact Elin Overvik at elindoug12@hotmail.com or 720.941.8381 to order your grocery card.
