

POLARIS AT EBERT SUPPLY LISTS '07 – '08

Please buy while on sale – usually in July! Any brands are acceptable. Starred items will be shared in a supply bank in classrooms. We have supplies available if these purchases are a burden for any family. In addition to these items, if you can afford a small computer Flash Drive for your child (about \$12 at computer/office supply stores), it would assist our tech lab with maintaining student files (all grades).
