

Dollar-A-Day (D.A.D.) Update...

Just a reminder that S.P.i.E. is still accepting D.A.D. (Dollar-A-Day) donations. If you did not receive information in the mail regarding this easy, "tax-deductible" donation, there are information leaflets in the office by the "Pledge Drop Box".

Please remember that though we are asking you to participate in donating a "dollar per each day" that your child is in school (i.e., \$180/child), we realize that this may not be possible for all so, **any amount is greatly appreciated!** **Our goal is 100% participation at any level!**

The money donated goes far toward helping S.P.i.E. to provide the academic support to Southmoor that is not only needed, but is actually **essential** this year. Please refer to the informational material (leaflets) for a detailed description of the amount of support that S.P.i.E. has committed to provide to Southmoor this school year.

Please also remember that S.P.i.E.'s support is only made possible via the fundraisers that S.P.i.E. sponsors. "Dollar-A-Day" is the first of these fundraisers each of which are very important to helping us reach our goal.

Our requested deadline of August 31st has been extended. There is still time to donate!

If you have any questions, don't hesitate to contact Julie Roseto @ 303-756-7256. Thank you! - S.P.i.E.
