

August 3, 2009

Hello, it is my pleasure to welcome you to Southmoor Elementary and the 2009/2010 school year.

This year promises to be full of excitement all around our school. As PTA president, I can assure you that we will not disappoint. We have an all new board this year and each of them brings with them a unique perspective and enthusiasm for our school and our students.

One of the exciting things we are looking forward to includes a new look at fundraising. We will be working with a new company for our fall fundraiser. ABC Fund Raising is a Colorado based company serving schools around our state since 1991. In addition to wrapping paper sales, we can look forward to a catalog designed especially for sales in our state, complete with flowers, bulbs, plants, magazines, and gifts for all occasions. There will be plenty of other PTA sponsored activities to look forward to as well, including:

- Individual and Class pictures
- Donuts for Dad's
- Flu-shot Clinic
- Annual Cookie Exchange
- CSAP Party
- Teacher Appreciation Week
- Muffins for Moms
- Spring community event (Sock Hop or 70's dance party)

And many more

Southmoor PTA needs your help to reach our goals. There are many ways to contribute to our success this year:

- Join this year's PTA for \$10 per person. Encourage spouse and loved ones to become members.
- Attend and volunteer to assist/chair PTA sponsored events
- Volunteer to assist the board with Marquee duties (currently a vacant spot)

A membership form is included in this packet and extra forms can be filled out at the Back to School Social or found in the office. Additionally a volunteer form can also be found/filled out at this time.

We are looking forward to a fabulous year for our Parents, Teachers and Students. Please don't hesitate to contact anyone on the PTA board with additional questions at any time.

Thank you for supporting your PTA!

Fondly,  
Erin Markham  
PTA President, 2009-2010
