Space Weather News for Oct. 6, 2009

<http://spaceweather.com>

**LUNAR IMPACT:** This Friday morning, Oct 9th, at approximately 4:30 am PDT, NASA's LCROSS spacecraft and its Centaur booster rocket will plunge one after another into a shadowed crater near the Moon's south pole.

The spectacular double-impact will be shown live on NASA TV from the point of view of the LCROSS spacecraft. Meanwhile, impact debris plumes emerging from the crater may be visible through backyard telescopes. North American sky watchers west of the Mississippi river are favored with darkness and good views of the Moon at the time of impact.

## Changes to our Thanksgiving Lunch

This year Thanksgiving Lunch will take place on ONE DAY, November 19th. This is a change from previous years when we were allowed two days for this event.

Also new this year is: **lunches cannot be purchased the day of the lunch** and tickets will be distributed on November 12th. (Students who attend Southmoor do not need to pre-order.)

We hope this new procedure will speed things along (you will not need to stand in line to receive your tickets on the 19th) and also ensure that there are enough meals for those who make reservations (we ran out of food last year.)

NOTE: even if you do not purchase a meal, you are welcome to sit with your child for lunch.

Look for the order form going home today. The form will also be available on our website. Thanks!

## Thank you Thank you Thank you!

*Thank you Thank you Thank you all because of your hard work we raised over \$ 11,000.00*

Everyone has been so awesome and enthusiastic about our Moose Walk Fund Raiser and Carnival 2009. We appreciate your tremendous support! As many of you know, our Moose Walk Fund Raiser and Carnival is not only an epic day of fun but one that directly benefits each child at Southmoor Elementary. Of course, we can't make any of this happen without the participation of our Southmoor Elementary Families.

We really had an outstanding amount of volunteers. Every classroom was represented by a booth. Our **Moose Walk Committee** has been working hard for the last couple months to make this day the success it turned out to be. Thank you to everyone volunteering their time!

### **We would like to recognize our Families who earned the most pledges in dollars:**

- Reganne and Reid Fornstrom raised \$712.00 to win a new bike donated by Bicycle Village.
- Josh, Megan and Morgan George raised \$655.00 to win an IPOD Nano donated by Neil and Sam Hanson.
- Ethan and Jacob Ginsberg-Margo raised \$540.00 to win a Skate City Birthday Party
- Luci Brendlinger raised \$500.00 to win a Funtastic Family Pack from Brunswick Zone
- Nicholas and Stephanie Chavez raised \$450.00 to win an OGIO Backpack donated by Craig Muller, Logos your Way, Inc.
- Also like to mention Katie Prazak who raised \$430.00 and Jenna Silverman who raised \$350.00!

### **These pledge winners really worked hard earning a lot of money in pledges for our school!**
