

Kindergarten Supplies

These items should have your child's name clearly marked on them.

These are items that your child will use personally and he/she needs to have them from the first day of school.

* **1 backpack with your child's name clearly marked on the outside.**

This will need to come with your child EVERY DAY. It should be big enough to hold the notebook (below). Please do not get a rolling backpack.

* **A sturdy three ring notebook/binder – 1 1/2" size – not zippered.**

(This notebook will become your child's poetry book. It will be a much loved book that travels between school and home. It should be of good quality to last the school year.)

* **75 clear economy weight plastic page protectors.** Please put these in the three ring notebook. We will fill them over the course of the year.

* **Change of clothes** including underwear, pants and socks. These should be in a plastic bag in your child's backpack everyday. Accidents do happen in kindergarten even to the best of us!

* **One pair of inexpensive headphones** to attach to a computer for your child to use in the computer lab. (\$5.00 - \$7.00) Please send these in a zip lock bag. Be sure your child's name is clearly marked on both the bag and the headphones!

* **An adult size cardboard shoebox** with lid or a similar sized box. Send it with your child's name on it. We will decorate these the first weeks of school. If you find an extra, that would be helpful as well.

The following supplies should **NOT** be marked with your child's name. They will be gathered for the entire kindergarten class to share

Boys

2 boxes 24 Crayola crayons
1 box colored pencils (24)
1 box broad tip markers
2 large glue sticks (1.4oz)
1 container of Anti-bacterial wipes
1 large box Kleenex
1 dozen #2 pencils
1 box gallon size freezer bags

Girls

2 boxes 24 Crayola crayons
1 roll paper towels
1 box broad tip markers
1 4oz. bottle Elmer's glue
1 jar hand sanitizer
1 bottle liquid hand soap
2 sponges
1 box zip-lock style sandwich bags

Children will also need crayons, scissors, and glue at home to do homework.
